

Electronics on the Move

A platform for supply chain, logistics, service and operations managers in the electronics industry

Electronics on the Move is a networking platform for sharing knowledge and experience for managers in the electronics industry. Eurogroup Consulting regularly organises meetings to discuss current business topics. Previous meetings have included case studies from TomTom, Sony, LG, Nashuatec, Ricoh and Samsung. Participants can keep in touch through a LinkedIn group.

For more information and details of next meeting, please contact

Axel Groothuis on +31 (0)35 699 60 69 or info@eurogroup-consulting.nl.
